You are immediately advised of the following corrective actions. Compliance with these corrective actions does not preclude the Department from imposing further requirements. In addition, the Department reserves the right to impose sanctions or penalties for the underlying violation(s).

1. Mark 90-day containers clearly with the words "Hazardous Waste" and name of the content.
2. Update contingency plan with present emergency coordinator.
3. Provide secondary containment for appropriate drums.
4. Obtain a CHS permit or contact [brian.coblentz@maryland.gov](mailto:brian.coblentz@maryland.gov) to obtain a 30-day extension for waste storage.
5. Label appropriate containers with a hazardous waste label and waste characteristic.
6. Accumulate no more than 55 gallons of hazardous waste per satellite area.

The violation(s) described above may result in the Department seeking legal sanctions against you, including the imposition of civil and/or criminal penalties. Continuation of the violation(s) or failure to take the corrective actions described above may result in additional sanctions or penalties. The recipient's signature below acknowledges receipt of this document. It should not be construed as an admission of guilt, an agreement to take the above corrective actions, or as an acknowledgement that a violation exists.
